To whom it may concern:

I have been using the billing services of Edward French for about two years. I appreciate that he knows how to communicate effectively with the insurance companies and with my patients when necessary. He provides timely and concise reports on the status of my patient accounts. Mr. French has been able to collect outstanding accounts that I had thought were uncollectible. He is responsive to my questions. I am happy to recommend his services.

Thank you,

David O. Crabtree, LCSW
