Re: Ed French

To Whom It May Concern:

We have had the distinct pleasure for the past year of having Mr. French as Gateway Counseling Group's contracted billing service.

Over the past 25 years of having different billing services none have ever approached the competence, ethical, reliable, dependable and conscientious standard of practice as we have experienced with Mr. French. His reports and communication to and with us have been outstanding. Our clients and insurance carriers with whom he has been in contact with speak highly of his courteous, helpful manner and expertise.

He has always taken the initiative to attend to the billing process, contacting the insurance carriers promptly and resolving issues with them that we were unable to accomplish despite our repeated efforts.

We can only state unequivocally that anyone who is fortunate enough to employ or contract with him will know what the "best" is all about.

We, of course, are only willing to acknowledge him in this honest fashion on the condition that he will continue to remain as our billing service.

If you have any questions, do not hesitate to call us.

Sincerely,

GATEWAY COUNSELING GROUP, INC.
